Journal of the Torrey Botanical Society 128(4), 2001, pp. 416–419

INDEX TO VOLUME 128, 2001

A cladistic analysis of Atripliceae (Chenopodiaceae) based on morphological data, 297
Aboveground plant biomass change along a coastal barrier island dune chronosequence over a six-year period, 197
Acer platanoides, removal and maple seedling bank response, 141
acid mine drainage water, metal content of *Klebsormidium*-dominated algal mats, 226
Adirondacks, effects on decaying logs as vascular plant habitat, 370
algal mats, metal content of, 226
Allegheny, diversity of hardwood forest herbaceous layer, 150
aluminum, in *Cornus* species, 120
Amaranthaceae, and Chenopodiaceae biology symposium, 234
Amaranthaceae, *Amaranthus*, 254
Amaranthus rudis and *A. tuberculatus*—one species or two?, 282
Amaranthus tuberculatus, and *A. rudis*, 282
Amaranthus, taxonomic significance of stem morphology, 254
anatomy, of leaves in the Chenopodiaceae, 236; in *Amaranthus* stems, 254
ANDERSON, ROGER C., deer density impacts on tallgrass prairie forbs, 381
ANDERSON, M. REBECCA, deer density impacts on tallgrass prairie forbs, 381
Apiaceae, *Eryngium yuccifolium*, 1
Aralia spinosa, spatial variation of prickle abundance on leaves, 219
Araliaceae, *Aralia spinosa*, 219
ARMSTRONG, R. TODD, *Silene latifolia* seed bank density, dispersion and population genetics, 400
Atripliceae, (Chenopodiaceae) cladistics, 297

barrier island, chronosequence and plant biomass change, 197
BASKIN, CAROL C., seed dormancy in *Chamaeliuium luteum*, 7; life history of *Arabis laevigata* variety *laevigata*, 93
BASKIN, JERRY M., seed dormancy in *Chamaeliuium luteum*, 7; life history of *Arabis laevigata* variety *laevigata*, 93
biennial, survivorship of *Arabis laevigata* variety *laevigata*, 93
biomass, change along a coastal barrier island dune chronosequence, 197
BLOOM, THOMAS C., life history of *Arabis laevigata* variety *laevigata*, 93
Blowdown dynamics in oak-hickory forests of the Missouri Ozarks, 362
BORSCH, T., biology of the Amaranthaceae-Chenopodiaceae alliance, 234
bottomlands, forest composition along intermittent streams, 165
BOWERS, JANICE E., *Cercidium microphyllum* dieback and episodic mortality, 128
Brassicaceae, *Arabis laevigata* variety *laevigata*, 93
BREWER, J. STEPHEN, current and presettlement Mississippi forest composition, 332
BRIAND, CHRISTOPHER H., spatial variation of prickle abundance on *Aralia spinosa* leaves, 219
BRIDGES, W. C. JR., Chinese tallow tree germination and establishment, 109

calcium, in *Cornus* species, 120
California, fire and upper montane forest dynamics, 350
Caribou Wilderness, fire regimes and forest dynamics, 350
Caryophyllales, leaf anatomy and ultrastructure in the Chenopodiaceae, 236
Cascades, fire regimes and stand dynamics, 350
CAZIER, PENNY W., Coastal Plain forest composition, 321
Cercidium microphyllum, dieback and episodic mortality, 128
Chamaeliuium luteum, seed dormancy, 7
Chenopodiaceae, and Amaranthaceae biology symposium, 234; leaf anatomy and ultrastructure, 236; cladistics, 297
CHESTER, E. W., seed dormancy in *Chamaeliuium luteum*, 7
Chinese tallow tree, germination and establishment, 109
Chlorophyta, metal content of *Klebsormidium*-dominated algal mats, 226
chronosequence, plant biomass change over six years, 197
cladistics, analysis of the Atripliceae (Chenopodiaceae), 297
CLARK, LYNN G., *Amaranthus rudis* and *A. tuberculatus*, 282
CLEMANTS, STEVEN E., flora of West Hills Park, 76
CLEMANTS, S., biology of the Amaranthaceae-Chenopodiaceae alliance, 234
CORBETT, ERICA A., deer density impacts on tallgrass prairie forbs, 381
CORBETT, GAIL A., deer density impacts on tallgrass prairie forbs, 381
Cornus, aluminum and calcium concentrations, 120
COSTEA, MIHAI, taxonomic significance of *Amaranthus* stem morphology, 254
CRAWFORD, EDWARD R., biomass change along a coastal barrier island dune chronosequence, 197
Current and presettlement tree species composition of some upland forests in northern Mississippi, 332

DAVIS, JERROLD I., cladistic analysis of Atripliceae (Chenopodiaceae), 297
DAY, FRANK P., biomass change along a coastal barrier island dune chronosequence, 197
defoliation, and growth and reproduction in *Trillium grandiflorum*, 393
DEMASON, DARLEEN A., taxonomic significance of *Amaranthus* stem morphology, 254
DENNY, ELLEN G., aluminum and calcium in *Cornus* species, 120
Density, dispersion and population genetics of a *Silene latifolia* seed bank from southwestern Virginia, 400
devil's walking stick, spatial variation of prickle abundance on leaves, 219

Journal of the Torrey Botanical Society 128(4), 2001, pp. 416–419
